

MATERIALDISTRICT.COM

The world's leading website in the field of innovative materials

MaterialDistrict.com is the world's leading website in the field of innovative materials for the built and designed environment. MaterialDistrict's value as a high-end materials inspiration source is clear: visitors are looking for new materials and are, therefore, potential customers of yours. As a MaterialDistrict partner, you benefit directly from our wide reach among (interior) architects and creative professionals around the world.

ABOUT MATERIALDISTRICT

MaterialDistrict, the world's leading match-making platform in the field of innovative materials.

MaterialDistrict's value as a high-end materials inspiration source is clear: R&D and design professionals of all industries are using our platform to discover new material solutions. Daily via **MaterialDistrict.com**, annually at **MaterialDistrict Utrecht** and periodically throughout the year with traveling **MaterialDistrict Expo**, **MaterialDistrict Talks**, and **MaterialDistrict Pop-Up** events.

As the world's leading network in the field of innovative materials, MaterialDistrict empowers global innovation by match-making material needs with material solutions. The MaterialDistrict network encourages joint innovation towards a better, more sustainable and higher quality society. We will make sure that new material solutions meet the needs of our worldwide network of R&D and design professionals.

AUDIENCE

For more than 20 years, MaterialDistrict (formerly Materia) helps its partners extend their brand awareness, successfully introduce new materials and strengthen their market position. The 150,000+ professionals in our network are your new audience; daily via **MaterialDistrict.com**
